#### I Girl

Fiction | Drama | 85' | 2023

Trailer: https://vimeo.com/manage/videos/298619868/ca98f4d213

I Girl tells the story of Armonia, a little girl who lives with Pablo and Julia, who seem to be her parents, in an idyllic landscape of lakes, rivers, and forests in southern Argentina. They are neo-hippies, vegetarians, promiscuous, questioners of the system, and have problems with the law. They consider that deviating from the consumer society is a form of decontamination, although that means -among many other things- no schooling and scandalous reactions to a gifted Barbie doll.

After a tragic incident forces them to leave their idyllic dwelling and actually interact with the bourgeoisie, Armonia's world starts to gradually open up as she discovers concepts that she'd never experienced in her short life.

**Short film** | **Thriller** | **7'** | **2017** Trailer: https://vimeo.com/866836135?share=copy

Bruno went out with her four days ago, and since then no response from her. Today he texted her two hours and twenty-seven minutes ago and did not receive a response. He arrives to his neighborhood after a long day and while shopping in the Chinese supermarket, he despairs.

# Doppelganger

Short film | Fiction | 7' | 2016 Trailer: https://vimeo.com/866511630

Technological devices increasingly take place in our lives. But ¿how much of our lives pass through them? ¿Can they become so omnipresent to the point of questioning the interaction with others, or our own identity? At a social gathering of friends, including dumplings and wine, a spontaneous competition arises.

#### To the Desert

Fiction | Drama | 94' | 2017 Trailer: https://vimeo.com/manage/videos/447167167

Julia works as a waitress on the night shift at the Comodoro Rivadavia casino. There, she meets Gwynfor, a customer who offers an interesting work opportunity in the oil industry. And so, what starts out as a morning appointment, résumé in hand, becomes a nightmarish journey in the middle of the arid landscape of Patagonia.

#### **Southern Storm**

Fiction | Thriller | 87' | 2023

Trailer: https://www.youtube.com/watch?v=e21Ji74\_SYU

Jorge Villafañez is a rotund, veteran private detective living alone in a high-rise apartment in Buenos Aires. Discreet and meticulous, he has a knack of making people open up in conversations. But when a new assignment puts him on the trail of Elvira, an experimental choreographer, the distance between the observer and the observed begins to collapse as Jorge descends into the rising waters of the Delta del Río de la Plata.
